

# Terms & Conditions

**Please read the following very carefully. By completing and signing the Booking Form you agree to adhere to and respect the Terms and Conditions detailed below.**

## **Cancellations**

Any exhibitor who cancels a booked spot , or, for whatever reason, fails to attend, shall forfeit all fees paid and the festival organizer shall reserve the right to re-let such sites.

## **Setting Up & Dismantling of Exhibits**

Exhibitors will be able to unload/set-up by prior arrangement.

All other exhibitors are advised that the set-up time will be e-mailed to you before the event. You will be allocated a specific set-up time. Please make sure your exhibit does not extend beyond the area you have booked.

## **Security, Licensing & Public Liability Etc.**

All exhibitors enter at their own risk. All exhibitors should ensure that they are adequately insured on the date of the festival for Public, Product and Employees Liability and should send a copy of the relevant document with their application form. All exhibitors must ensure that they have the necessary licence(s) to legally conduct their business on the day. No alcohol is allowed. You may require other licences/permits, these are your responsibility. Copies of all applicable licences/permits must be sent to the organisers with your application.

## **Health and Safety**

All exhibitors have a responsibility to ensure the health, safety and welfare of themselves and others. The organiser shall not be held responsible by any exhibitor or their staff/agents or members of the public for any injury or loss due to negligence or unsafe displays. All exhibitors are required to have carried out an assessment of the potential risks associated with their activities.

## **Fire safety equipment**

Exhibitors must provide fire safety equipment appropriate to their activities. In particular, all exhibitors that cook on site must have adequate fire fighting equipment including fire blankets.

The organisers shall not be held responsible for loss or damage of stock or equipment, howsoever caused, during the festival.

## **Environmental Health & Trading Standards**

Food producers should ensure that they are registered with their local authority prior to the Festival.

Exhibitors are expected to comply with relevant legislation in respect of local law. Exhibitors will be inspected during the Festival and those deemed not to comply with relevant regulations may be shut down.

Food producers should ensure that they have an adequate food safety management system, ensuring that the food they prepare and sell is safe to eat.

## **Drinking and cooking water**

Drinking and cooking water is the responsibility of the exhibitor and we recommend that you bring your own source of potable water with you.

## **Waste**

Exhibitors are expected to keep their surrounding areas as clean as possible throughout the Festival. Where appropriate, adequate precautions should be taken to prevent oil / fluid spillage by the use of trays underneath all vehicles.

It is your responsibility to dispose of your own waste. A skip will be provided on site for refuse disposal.

However, you are responsible for the disposal of any foul water/oil/fluid and we recommend that you take it away with you in a suitable foul drainage system. Failure to comply may result in your company being refused participation in future events.

## **Electricity**

Limited electrical supplies are available. These must be booked and paid for later on a special application form.

Extension leads if required (from the supplied unit) are the responsibility of the exhibitor and are not available from the organisers.

## **Equipment**

Exhibitors may bring their own generators onto site. All electrical equipment must be certified.

All gas equipment must be covered by a current gas certificate issued by a registered gas engineer.

## **Disposables**

We recommend that all food containers, packaging, plates and cutlery etc. should be constructed of biodegradable materials such as paper and wood. Drinks containers should be recyclable and we prefer recyclable plastic to biodegradable plastic. If biodegradable drink containers are used, they should be clearly marked. We strongly recommend that polystyrene and other non-recyclables are not used.

## **Updating Terms & Conditions**

Sirkil(Cairo Bites Organisers) holds the right to change/alter/update Terms & Conditions without prior notice.
